

Treasures from the Bend Cookbook is a Must-Have!

The Fort Bend Junior Service League proudly presents its new cookbook, *Treasures from the Bend, Rich in History and Flavor*. The Fort Bend Chamber of Commerce has named *Treasures from the Bend* as the Official Cookbook of Fort Bend County.

This delightful collection of recipes is a must-have not only for those who love to cook, but also for the history buffs among us. In addition to over 275 recipes, the cookbook also contains color photographs and interesting historical information celebrating the rich history of Fort Bend County. Recipes were contributed by League members, local restaurants and chefs, and notable Fort Bend residents.

Publication of the cookbook was made possible by presenting sponsor St. Luke's Sugar Land Hospital and many other generous donors. Books retail for \$27.95 each, and all proceeds benefit Fort Bend Seniors Meals on Wheels. The Meals on Wheels program serves over 1,000 hot meals per day to senior citizens in our community who are unable to safely prepare meals for themselves.

Treasures from the Bend is available for purchase at Fort Bend Seniors Meals on Wheels, at Planned Community Developers in Sugar Land Town Square, and at these local retailers: Another Time Soda Fountain & Cafe, Brazos River Provisions, George Ranch Historical Park, Hawkins Furniture, Magpie's Gifts, Treasure Hunters, Vineyard on the Square, and Vogelsang's Antiques. *Treasures from the Bend* may also be ordered online from the FBJSL website at www.fbjsl.com.
